

# HOSTELS ON THE CAMPUS

A hostel is a home away from home. Aware of the special needs and requirements of students, who come from far-flung places to this centre of learning, the Swami Sarvanand Giri, Panjab University Regional Centre, Bajwara (Hoshiarpur) tries to provide them a safe, secure and affordable accommodation.

The University Hostels take pains to give its students a neat and clean environment and a comfortable place to live in. There are Wardens and attendants on duty round the clock. Each hostel has a dining hall and canteen, several desert and water coolers, a visitors' lounge. The mess provides a balanced diet at reasonable rates. The Common Room is fairly well equipped with current magazines, journals and newspapers. There is provision for indoor games, a colour TV and music system.

Architecturally, the hostels are aesthetically laid out with plenty of open space and a lot of greenery. The rooms are comfortable, fitted with fan, lights and hard furniture. Each wing of the hostel has several verandahs and balconies.

Comforts are important but they are not enough. Man is a social animal and needs to interact with others. The resident students are encouraged to participate in cultural and social activities. Colourful evenings of song and dance are not unusual on the campus. Talent shows, dramatics and literary events are organized from time to time. The inmates of a hostel are encouraged to live in harmony, like one big family, lending each other a helping hand when required, mutually cooperating to make hostel life a rich and fruitful experience.

There is no doubt that during these formative years in the hostel, life-long bonds are created and friendships cemented. This is a time, which will stand out in the memory as a golden period. University experience is an important milestone in an individual's life, the stepping-stone to an adult life of responsibility and care. The hostels of Swami Sarvanand Giri, Panjab University Regional Centre, Bajwara (Hoshiarpur) try to provide an ideal atmosphere for a healthy, all round development of personality and a launching pad for a glorious career ahead.

Living in a hostel presupposes high degree of integrity, consciousness, cooperation, tolerance and hard work for a bright future and good image of our institution.

On the basis of mishappenings last year, all the new entrants as well as old ones also are sincerely advised not to indulge themselves in any Ragging activities, which on detection, will definitely lead to expulsion from the University and even filing an F.I.R. against each individual, as per the provision of recommendations made by Lyngdoh Committee.
