INVITATION

It is my pleasure to inform you that the Post Graduate Government College, Sector 11, Chandigarh is hosting an Inter College Model United Nations event, PGGC 11 MUN from 29th January to 31st January, 2024. This event is a testament to our commitment to fostering a cultural intellectual curiosity and a sense of global citizenship by sending the message of "One Earth, One Family, and One Future" under Viksit Bharat Abhiyan or Developed India Mission. Considering the need for making India a developed country by 2047, we need to create strong institutions with a futuristic vision and agile structures. Model United Nations is in continuation with the G-20 activities and Youth Parliament already conducted by our college to promote Developed India Mission. MUN simulates the minds of young students to engage in diplomatic debates and conversations and draft resolutions on various topics of international importance.

During this three-days event, participants will delve into captivating committee sessions, engage in lively debates and collaborate with students from different backgrounds. It will also foster cultural understanding, promote global awareness, and inspire leadership qualities among students.

We welcome students of all the streams to participate and challenge themselves in the event. This is an excellent opportunity for students to develop critical thinking skills and network with peers from other institutions.

I humbly request you to ensure the participation of the students of your esteemed institution (schools/college) in this event.

With warm regards,

Agarwal
Principal 22/12/23
Principal
Post-Graduate Government College
